National Volunteer Week

National Volunteer Week, taking place from May 20 to 26, 2024, celebrates the theme 'Something for Everyone,' recognising the diverse passions and talents that individuals bring to volunteering.

Volunteering has the power to change the lives of both volunteers and those they help. It offers opportunities for social, economic, and cultural inclusion, and improves our health and wellbeing.

We are so grateful for the 320 volunteers who dedicate their time to managing Council facilities through our Community Asset Committees and Friends of Groups.

Thank you to all volunteers for the vital role they play in our community and across the country.
