## Road Safety Strategy and Action Plan

Moirá Shire is facing a serious road accident problem, with 23 recorded road deaths in 2023. Moirá Shire Council, with funding support from the Transport Accident Commission are developing a Road Safety Strategy and Action Plan to help make our roads safer.

We're looking for community, visitors and all road users to complete a questionnaire and share their experiences and concerns regarding road safety to help Council create a comprehensive and actionable road map to improve our roads.

The questionnaire is available online, at the Moirá Matters website until **Friday 6 September 2024.**

If you are in need of assistance with the online form, call or visit our Customer Service Centres and speak to the Projects Delivery Team.
