

If you are constructing, extending, or altering a dwelling or facility in an unsewered area, you may be required to upgrade your septic system, supply existing septic plans and/or obtain a 'Report and Consent'.

Note: many developments in unsewered areas require a Land Capability Assessment (LCA). If you would like further information regarding LCA's, please contact Council's Environmental Health Unit.

Application Type: Please Select

- Request for Report and Consent for an Onsite Wastewater Management System (OWMS)
- Septic Tank Plan Search (Plans Only)

Applicant

Name		
Organisation		
Telephone	Home / Business: Mobile:
