Left: The original Shire Hall in 1937 pictured to the left the year before it was demolished to make way for the new Shire Offices and Town Hall that were completed in 1938 that stand today.

Right: The new Numurkah Town Hall in 1939.

Numurkah Town
Hall is the heart of
the community.

Main Hall

After stepping through the main foyer to your left you enter the grand main hall. The main hall, includes a large open hardwood floor with different lighting options and automated newly installed split systems for heating and cooling.

The main stage is fully operational with red dress curtains and sound system that is available to use when hired. Stairs are also available to access the stage from the dance floor. Behind the stage is male and female dressing rooms.

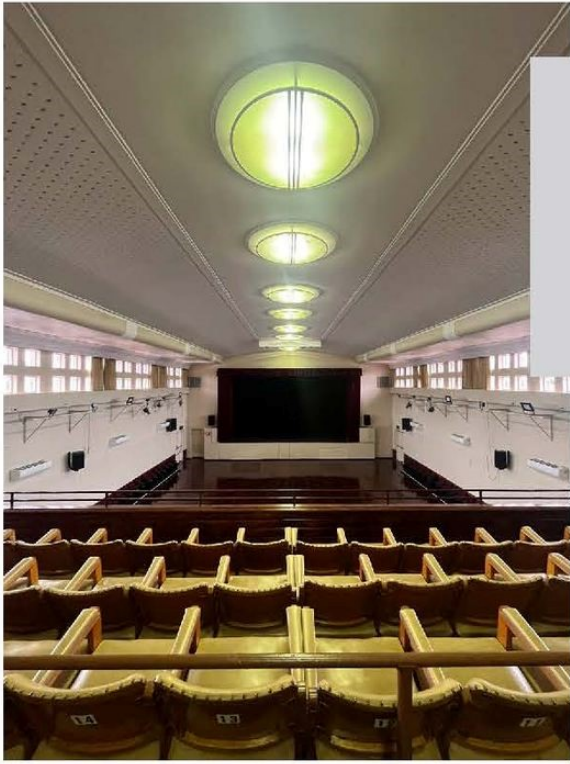

Overlooking the main hall is the dress circle for extra seating and lounge. Accessible from the stairs in the foyer.

The main hall can comfortably fit over 150 seated guests. A variety of seating and table options are included within the hire of the main hall.

Hire Options:

All areas of the main hall come with access to the foyer and male and female toilets. It also includes the stage, dressing rooms, dress circle and lounge.

The main hall can be hired in conjunction with other areas of the Town Hall or the entire facility can be hired.
